History of the Candle Lighting

The Worldwide Candle Lighting started in 1997 by The Compassionate Friends (TCF). Many candle lighting services are held each year across the nation and throughout the world.

Candles will be lit from 7-8 p.m. local time, creating a virtual wave of light as it moves from time zone to time zone around the world, honoring children who have died.

You are invited to post a message in the Remembrance Book which will be available on December 9 on line at www.compassionatefriends.org.

This year is the twelfth candle lighting sponsored by the Sacramento-South Placer County Chapter of the BP/USA. Our local children will be remembered during this very beautiful and touching memorial service. Families are invited to bring friends. Unfortunately, we are unable to provide child care.

The Worldwide Candle Lighting gives bereaved families everywhere the opportunity to remember their child . . . that their light may always shine!

Donations

There is no charge to attend this event, however donations are received with gratitude to help defray costs. 501(c)(3). Business sponsors will be listed in our printed program and posted on our website. A donation basket will be available at the event.
